1. Net merger accretion represents a reversal of all Merger-related accretion for the specified period.

2. Adjusted net investment income is a non-GAAP financial measure. Adjusted net investment income is presented for all periods as GAAP net investment income excluding (i) the accrual for the capital gains incentive fee for realized and unrealized gains; (ii) excise taxes; (iii) the impact of accretion resulting from merger accounting; and (iv) certain non-recurring operating expenses that are one-time in nature and are not representative of ongoing operating expenses incurred during FSK's normal course of business (referred to herein as one-time expenses). FSK uses this non-GAAP financial measure internally in analyzing financial results and believes that the use of this non-GAAP financial measure is useful to investors as an additional tool to evaluate ongoing results and trends and in comparing its financial results with other business development companies. The presentation of this additional information is not meant to be considered in isolation or as a substitute for financial results prepared in accordance with GAAP.

Any forward-looking statements speak only as of the date of this communication. Except as required by federal securities laws, FSK undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Readers are cautioned not to place undue reliance on any of these forward-looking statements.

This presentation contains summaries of certain financial and statistical information about FSK. The information contained in this presentation is summary information that is intended to be considered in the context of FSK’s SEC filings and other public announcements that FSK may make, by press release or otherwise, from time to time. FSK undertakes no duty or obligation to update or revise the information contained in this presentation. In addition, information related to past performance, while helpful as an evaluative tool, is not necessarily indicative of future results, the achievement of which cannot be assured. Investors should not view the past performance of FSK, or information about the market, as indicative of FSK’s future results.

This presentation contains certain prospective financial information with respect to FSK’s estimated future performance. FSK’s independent auditors have not audited, reviewed, compiled, or performed any procedures with respect to such information for the purpose of their inclusion in this presentation and, accordingly, have not expressed an opinion or provided any other form of assurance with respect thereto for purposes of the presentation. In this presentation, certain of such prospective financial information has been included (in each case, with an indication that the information is an estimate and is subject to the qualifications presented herein) for purposes of providing comparisons with historical data. The assumptions and estimates underlying the prospective financial information are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the prospective financial information. There can be no assurance that the prospective financial information is indicative of the future performance of FSK or that actual results will not differ materially from those presented in the prospective financial information. Inclusion of prospective financial information in this presentation should not be regarded as a representation by any person that the results contained in the prospective financial information will be achieved. The prospective financial information reflects assumptions that are subject to change, and there can be no assurance that FSK’s financial condition or results of operations will be consistent with those set forth in such prospective financial information.

The prospective financial information, guidance and other forward-looking statements included herein are effective only on the date given. In accordance with our policy, we will not update, reaffirm or otherwise comment on any prospective financial information, guidance or other forward-looking statements in connection with this presentation, except as may be required by law. No reference made to any prior financial guidance or other forward-looking statements in connection with this presentation should be construed to update, reaffirm or otherwise comment on such prior financial guidance or other forward-looking statements.

This presentation contains certain financial measures that have not been prepared in accordance with U.S. generally accepted accounting principles (GAAP). FSK uses these non-GAAP financial measures internally in analyzing financial results and believes that the presentation of these non-GAAP financial measures is useful to investors as an additional tool to evaluate ongoing results and trends and in comparing FSK’s financial results with other business development companies.

Non-GAAP financial measures are not meant to be considered in isolation or as a substitute for comparable GAAP financial measures and should be read only in conjunction with FSK’s consolidated financial statements prepared in accordance with GAAP.

Certain figures in this presentation have been rounded.
